

The 2008 Global Financial Crisis

The Policy Response

Identify three policies that were adopted in your country after the financial crisis of 2008.

1	
2	
3	

The Effect

Find four statistics (e.g., inflation, unemployment, GDP, poverty, government spending) to illustrate the effects of the crisis/policy intervention.

4	

What do you think?

Were the policies successful?	
Which groups were the most impacted by the crisis?	
How were these groups affected?	
What could have been done differently by policy makers?
